Wayne and I went through Junior High and High School together. Our Junior and Senior year(s) I got to know Wayne well when we both attended the vocational building trades program, working together everyday building houses on Oak Drive. I consider Wayne a good friend even though we never saw one another much during our working-years. Wayne was always quick to help and quite good at carpentry. His dry wit & humor made him a joy to be around. I know he will be missed by his siblings, extended family, and friends. Condolences to them and hopefully they find comfort knowing that Wayne is in a good place, no more pain nor worries... God Bless and RIP my friend...Bob Pittenger - Friend & Classmate
