April 8, 2025 Julie Ann, it's been one year today that God attached your wings, and you silently flew away to be with him in Heaven. I didn't think that I could make it in life without you, but God gave me the strength to move forward. Still someday it seems like yesterday that you left us. I miss you so much! I miss all the laughing, our phone calls so many times a day and guiding me in the right directions in life. I will hold onto all our secrets until the day that I die, and we meet in Heaven and start all over again. Missing you soooooo much! Love, Sally

Julie Ann slipped away from us too soon but 1Thessalonians 5:2 says- "For yourself know perfectly that the day of the Lord so cometh as a thief in the night." I'm already missing her so badly but I continue to pray that God gives me strength. We must keep Christ in our lives, pray, keep our head up and move forward so that one day we will meet again in Heaven. RIP my sweet sister! ❤️ (Sally)

Mommy I love you and miss you sooo much. When I got pregnant at 15 you accepted me and guided me as if I was your daughter and not just your son Baby Momma. You have been there for me and my 4 😊 sense day 1. We were best friends if you wanted me to do it, have it, like it, you made sure nothing stopped it. So I always made sure I was there for you even if it was just to sit there and look at each other I made sure I was there.

I remember riding in the car with Julan last month. She was taking me car shopping. She dropped me off at bob ridings and said she would be right back. Well we all know how that goes. She took a lil bit coming back. So when I seen her pulled up, I went outside and sat in the car with her. I said oh, so you got something to eat with out me, she started laughing and said chile, I didn't know you was hungry you should have said something then. I said you didn't tell me you was going to McDonald's, she said girl you want one of these Mac chicken sandwiches, no Julan, I don't want that, it look hard and old. We laughed so hard. Moments like that, I will always cherish and hold in my heart. I loved her like she was my 2nd mother. She was loved and will be missed by many. RIH ANGEL. You're in a happy place now. I love you forever ❤️❤️❤️
