Wow, I can't believe Sherry is gone!!..she was a childhood friend of the Dotson family...the Latson's and the Dotson's lived one street over from each other and we all pretty much grew up together as we both were from large families and we were all in the same age group!! 😊..when we first met the Latson's...I thought Jerry and Sherry were twins....they both looked so much alike!(Lol)...She had such an "infectious" laugh and always such a 'sweet" person!... Her and Jerry had a similar laugh!!(Lol)...Sherry you will be so greatly missed and all of the people you have encountered in your life...your children and grandchildren..and especially all of your siblings!!..prayers and condolences go out to all of the Latson family at this time!..Rest in peace my sister and childhood family friend! 🙏
