So many things I remember, but most of all, I bet we fished every single day of 2015 no matter the weather or what was going on! And we laughed a lot over the years over such silly things. I truly am heartbroken for everyone who loved him. He was very supportive in some of my darkest days and went out of his way to be there for me and my dogs and I'll never forget that about Nick. Good, bad, ugly, or otherwise, I'm glad we had some time last year to reconnect and make more good memories.

I always loved the way you messed with Louie when you would tell him waffles. I will miss you and all the times we would hang out and talk about nothing at all. You were one of a kind that is for sure! Love you!
