Jerilea Short lit a candle in honor of George.

How cool is it that the same God who created mountains and oceans and galaxies, thought the world needed one of him too. As George departs from this earthly realm, his essence lingers — a whisper on the wind, a ripple on the water — a testament to the enduring power of love to transcend the boundaries of life and death. Rest in peace George Trump. Your spirit will forever soar, and your memory will be eternally cherished by those who were blessed to know you. Until we meet again . . .
