“ I knew Anita in high school but only to say hi. she was a senior to me being a freshman. We taught together at Mound Middle School and developed a strong friendship and working relationship at that time. We saw each other occasionally over the years and had a good time catching up. Anita was a nice, nice person and a class act. I will miss her.

“ Anita and I became good friends when I moved to Decatur in 1977. We shared church membership - Decatur First UMC and occupation, librarian. We enjoyed socializing and sharing our library experiences.

We also enjoyed conversations at Decatur Municipal Band Concerts. She was a blessing to know.

My sympathy at your loss.
