“ Oh my friend I'm smiling. I've spent many lunches with you up until the last couple of years. You my mom and I (and sometimes Floyd) had lots of good times. You are now one of our angels.

“ As I read my aunt's obituary, I'm sure those of us who have experienced her everlasting love for all of God's people, we rejoice with her now that she is with our Great Father God! I know He has already spoken the words every believer lives for "Well done My good and faithful servant". I love you Aunt Marilyn, see you soon!
